

## Webinar Invitation

Thursday, 12<sup>th</sup> December 2024  
17.00 – 18.15 p.m. CET

### Unveiling the Role of Necrosis in Soft Tissue Sarcoma Therapy: Prognostic Insights and Clinical Implications

moderated by an international panel of experts, presented by

**Beata Bode**, LUKS University Hospital, Swiss Sarcoma Network

*Defining and Decoding Necrosis: A Pathologist's Perspective on Sarcoma Prognostication*

**Hans Roland Dürr**, LMU University Hospital Munich, Germany

*The effect of chemo- and radiotherapy on tumor necrosis in soft tissue sarcoma – does it influence prognosis?*

**Dian Wang**, Rush University Medical Center, Chicago, IL, USA

*Pathologic complete response and clinical outcomes in patients with localized soft tissue sarcoma treated with neoadjuvant chemoradiotherapy or radiotherapy*

**Arash Naghavi**, Moffitt Cancer Center, FL, USA

*Effect of favorable pathologic response after neoadjuvant radiation therapy alone in soft-tissue sarcoma*

**Julien Montreuil**, University of Miami Miller School of Medicine, Miami, FL, USA

*Rethinking tumor viability as prognostic factor in soft tissue sarcoma*

Dear Colleague,

We would like to invite you to the **Sarcoma Academy Webinar** on «**The role of necrosis in soft tissue sarcoma therapy**» moderated by an international expert. If you would like to join this webinar please register online once the event is published for registration.

[Registration for the ZOOM-Webinar \(please click here\)](#)

The number of participants is limited to 200 persons and will be considered upon receipt of registration.

If you would like to raise specific questions to be answered during the session, add these to this registration email. As confirmation you will receive a web-link to participate.

We are very much looking forward to speaking to you soon.

Yours sincerely,

On behalf of all presenters  
*Bruno Fuchs*
